## Preferred Heights Street..

Positioned in one of Singleton Heights quietest & most desirable streets, this 3 bedroom home enjoys an elevated position & minimal traffic.

Recent improvements have seen the kitchen renovated into a stunning & stylish feature of the property...Including roomy benchtops, stainless appliances & a large breakfast bar...The kitchen overlooks both the meals area & the extra-large covered entertaining area.

The main living area features high raked timber ceilings with exposed timber beams that give a true feeling of space & room to the area...2 bedrooms with built in robes, all with fresh paint & ceiling fans, master bedroom with new split syst. AC.
