

311/ Sinclair Avenue SINGLETON, NSW

## HUGE LEVEL BLOCK

Absolute rare opportunity to acquire a residential block of approx 1619m2 in a quiet Huntview location.

This lovely block will require minimal site costs & has all the room you could

want for home, pool & shed with miles of yard space leftover. With the average block size only 750m2 these days, this block will be one of the last BIG ones available.
