16 Bell Street GRETA, NSW

Ready to Build

Ready to build with all the ground work already completed for you. This fabulous block offers 2 street frontage on a huge 4000m².

The block is fully fenced with great street appeal from Bell Street and secure access from Tuckers Lane. The Earthsafe system is already installed and working for you.

External water taps located all over the block allows easy watering of the entire block.

Electricity is ready to power up. Just minutes away from the new freeway on ramp.

All it needs is you and your new home to finish it off.

Scott Bailey
