## IDYLLIC RURAL LIFESTYLE ON THE EDGE OF TOWN

This picturesque property, set on 9.4ac (4ha) is perfect for those who want to move in & relax.

Choose from formal & informal living options - from the timber kitchen you can access the meals area, family room, sun room & study.

Overlooking the pool & views of the river is the expansive formal living room with raked timber ceiling & S/C fire.

The huge main bedroom is tucked privately at the end of the home & features generous BIR & ensuite.

3 additional bedrooms are generous in size & overlook the leafy front garden.

The securely fenced yard has a vegetable garden & chicken coup for farm fresh eggs.
