HILLTOP VIEWS ON 50 ACRES

? Positioned on an elevated ridge overlooking your own 52 acre parcel of land, with only a few minutes drive to towns amenities. That's what the new owner of this beautiful rural holding will get to enjoy year after year. With elevated rural views in almost every direction, this home also enjoys the luxury of having no close by neighbours.

? A quality build sees this 4 bedroom residence in excellent condition & upkeep. An open design with 2 large living areas, high ceilings, sunken lounge & large windows capturing the outlook.

? Bedrooms all of roomy proportions, 3 way bathroom + 2nd shower & WC via laundry.

? Shady wrap around bullnose verandahs offer protection & great spot to absorb the view.
